NEWSLETTER VOL. II No. 8

GREETINGS FELLOW MEMBERS AND OTHER FRIENDS

This is being written on a strange computer using a strange word processing system by a strange typist (guess who) in the Commonwealth of Pennsylvania where your dripping (NOT drippy) Editor is slowly becoming a moss covered lump as a result of the 95 degree heat and 95 percent humidity. Whatever the temperature is in Paso Robles, don't knock it troops. I had forgotten just how awful this humid weather could be. Okay Cliff, I won't whine any more!

SEPTEMBER MEETING

Our next meeting will be held on Tuesday, September 3 at the Hangar. Social Hour commencing at 6:00pm, dinner at 7:00 and the meeting at 8:00.

The dinner fare will be Mexican and should be a delight as usual.

The program will consist of showing the video of the Madeira(sp?) Fly-In which was evidently a really good one. If your long distance Editor got the message correctly, the Stooft and a C-1 flew together both days and it was really a fun outing.

BUSINESS

The incorporation of the Estrella Squadron has either been accomplished or is progressing rapidly. This will be discussed at the meeting. There will also be a discussion of the possibility of another Halloween Party which depends upon getting permission from the city. As most of you know, this was a highly successful affair last year and could be again.

Well friends, these so-called Newsletters are getting to be little more than meeting notices at this point what with running off to Oshkosh and then to Pennsylvania and your Ed. sincerely apologizes. We ARE returning to Paso Robles, however, although it was nip & tuck for a while there, and I promise to make something of this little missive that we can all be proud of.

Hope to see you all on or around the 15th to 20th of September. Miss you all A LOT!
