June Meeting

The June Meeting will be held on Tuesday, June 4, 1996 at the Hangar. Social Hour will commence at 6:00pm and Dinner at 7:00pm.

The dinner at the Meeting will be a "trial run" by those who will be cooking at the Show Dinner Dance and it will be the chicken barbecue portion of the meal to be offered at the Dinner Dance.

There will be NO formal speaker at this meeting. It is the last meeting prior to the Air Show and we have much to discuss so it is extremely important that EVERYONE be there.

This is our main opportunity to fund ourselves for the coming year so it is vital that each member contribute his or her time to the event. Without member support we have to hire or recruit outside help for a cut of the pot. This seriously eats into our Air Show income and it seems a shame to think that there are 150 members in our group

and that we have to hire outsiders.

Many of the most important jobs are just for a few hours on the day of the Air Show. If each of you would just donate a couple of hours you can make a tremendous difference. It's understood that everyone wants to see the Show but we've all seen air shows so it just doesn't seem too much to ask that each member gives a couple of hours to make OUR Show a financial success. If enough people volunteer it means that each individual's participation can be cut down and no one will be stuck in a job for the whole seven hours or so.

Dozens of other members have been working like beavers for weeks or months getting everything together. During the last week before the Show it would be of tremendous help if you would ask one of the four administrators just where you could help with last minute things.

We have to clean out the Hangar for the Dinner Dance. That means physically moving out a lot of the stuff along the walls to the outside of the building, probably along the east outside wall where it won't be seen.

Glen Thomson and a very few others have been hanging the new slot boards along the inside walls and they look great but he needs a LOT more help with these.

We also want to pour a little more cement for walkways on the west side of the building. In other words, there are a lot of little detail jobs that need doing so get in touch with Glen and ask how you can help.

In any event, COME TO THE MEETING and let's make this thing WORK.

Dues!!!!!!!!!!!!

Dues were due May 1st!!!!
Rosemary even sent out invoices this time so that you would have something in front of you to remind you. As of this writing only about half of the

membership has paid!!!! This is unconscionable. We thought that by sending out invoices, all of which costs money, we would not leave it just to your memory to get these dues in.

This is money that we need desperately for our operating needs on a month to month basis. We were most pleased to note that several members sent in or handed in double payments and are, therefor, considered Sustaining Members. There will be more formal and appropriate recognition of these members at a later date.

Get those dues in!!!!

Flight Duty Roster

For the month of June, Golf Flight under the able leadership of Col. Doug Miner will be in charge of the monthly meeting and the month's activities.

The Flight Leader should coordinate with Col. Kevin Craig (238-4643) with regard to setting up the Hangar for the meeting and should contact Col. Bob Singleton, Adjutant, (239-2084) for general information with regard to coordination procedures for the meeting.

Proposed Meeting Day Change

As you will note upon reading the following minutes of the last Staff meeting, it was suggested that we change our meeting day from the first Tuesday of the month to the first Wednesday of the month, a one day change.

This was brought up because our meeting day is in conflict with the Paso Robles City Council Meeting. We would like to be able to attend that meeting and we would also like to have the Council Members attend our meeting whenever they can.

The Staff asks that the membership consider this change and it will be discussed and voted on at the June Meeting.

CAF Staff Meeting Report

(condensed & paraphrased)

Confederate Air Force, Estrella Squadron Staff Meeting, May 15, 1996.

2
Attending: Cols. Jeff Welles, Bruce Toomey, Rosemary Netto, Glen Thomson, Blake Wideman, John Himes, Keith Bowers, Ted Watt, and Bob Singleton.

Treasurer's Report

The Treasurer's Report was read and accepted and will be posted at the Hangar.

Old Business

Aircraft for Restoration: A title for the ownership of the Cherokee is needed to establish the actual owner. The N number has been removed from the wings and cannot be read from the rear plate. Jeff Welles will attempt to get the N number from some other source.

Old Trucks at the Old Hangar Site

The trucks need to be removed by trailer. Bruce Toomey will provide the trailer.

Membership Profile

A Master Committee to set up work parties was established last month. The leaders are Jeff Welles for the CAF and Glen Thomson for the Museum. Ted Watt has completed a list of committees for the Museum and will start on the CAF list. After this he will return to the member profile plan he has been working on.

Fund Raising

The Flea Market at Pete Johnston's will be rescheduled for after the Air Show.

Hangar Layout

We need a joint Museum/CAF plan for the interior of the hangar. In the meantime Glen suggested we put up the interior paneling donated by Col. Bob Weiss. One panel will be put up this coming Saturday as a test and the others to follow.

Hangar Operating Costs

A Committee was appointed to establish a price that we must get to cover our costs when renting out the building to other organizations. The members are Rosemary Netto, Bruce Toomey and Bob Singleton. They will meet in early June.

New Business

Clearing the Hangar: Blake and Rosemary said the L-Birds and their tools and other equipment around the perimeter of the hangar must be moved out BY Friday morning, June 21 so the Dinner/Dance Committee can set up for the dance.

Kitchen Stove Costs

Several members offered to donate money to cover the \$500 cost of the kitchen stove now in use. Money for the stove was advanced by Bob Miller. Those offering to pay for the stove were Cols. Welles, Chilton, Toomey, Thomson and Singleton. Checks for \$100 each are to be sent to Rosemary Netto to pay Bob Miller back.

Memorial Day Flyover

Glen Thomson to call Obbie Atkinson to organize a formation flyover. In the past we have honored the occasion with formation flights over Paso Robles, Atascadero, Cambria and Los Osos.

Possible Change in the Day of the General Meetings

Glen Thomson said that there is a conflict between our meeting days and the regularly scheduled Paso Robles City Council meetings. We would like to have the Council Members come to our meetings and to join our organization if they wish.

Thomson suggested that we move our general meeting day to the first Wednesday in the month, a move of only one day, and a motion was passed that this be brought up for discussion by the membership by printing it in the Newsletter.

June Meeting

The June Meeting will be a business meeting regarding the Air Show so there will be no speaker.

Meeting adjourned 2030.

T-Shirts

T-shirts with this year's Air Show Logo will be available at the June Meeting.. Bring money! It would be great if everyone on the ramp and in the parking and ticket sales areas would wear one. It would also be even greater if you would buy one now and wear it around town to advertise the Show!

Other 1996 Air Show Schedules

Below is a short list of air shows that will be attended by Glen Thomson in either the S-2 or the T-28 during the remainder of the year. On a number of these where the crowds

are expected to be fairly heavy the PX will be taken in the S-2. There is room in the S-2 for four or five people depending on the show so if you have any interest in going along please get in touch with Glen Thomson (238-4858).

- 6/9 Sacramento a one day show.
- 6/23 The famous Paso Robles Air Show.
- 7/20 Solano (Nut Tree) One Day
- 8/16 Santa Maria. Three day.
- 8/24 Hawthorne.
- 9/21 Fresno.
- 9/28 Half Moon Bay.
- 10/26 Travis AFB.

The above is obviously just a bare bones list. Get in touch with Glen to get more information. These are a lot of fun and you get to see some spectacular aircraft.

Membership List

We are including a new up-to-date membership list. Hang onto it. It will be very handy for calling those in charge of the Air Show to volunteer your services!!

Short Newsletter

Many of you will be gratefully aware of the fact that this is an unusually short newsletter. At the moment, the only significant news is the AIR SHOW on JUNE 23!!

Please keep this in mind. Please make a resolution to give at least a LITTLE time to this project.

Needed for Air Show

We need 100-150 steel 6 or 7 foot "T" fence posts for Air Show crowd control fence. Any condition, we will resurrect them. Prefer permanent "loan" or donation but will happily return if required. Call B. Toomey 238-9266.

We also need that orange plastic mesh construction fence. Our supplier and friend, Chris Young from Long Barn, who always gave it to us free, is no longer carrying it. We use this stuff and then re-roll and return in good shape. If you know of someone like a municipality or government group that might be feeling magnanimous we could definitely use it. Again, call B. Toomey 238-9266

September 27-October 7, 1996. See Fall Foliage in Toronto, St. Lawrence Seaway, 1000 Islands National Park, Ottawa, Quebec City Montreal and more! \$1139.00 per person, double occupancy plus air. Call Judy at 238-2090 or 461-1222

(Ed. Note: As an old transplanted Easterner I can vouch for the fact that this would be a great trip. Canada is always a bit earlier than New England for "leaf peeking" so the timing on this is perfect. If you've never been to Toronto and Montreal you're missing something.)
