June Meeting

The June Meeting will be held on Wednesday, June 7, 1997 at the Hangar with Social Hour commencing at 6:00pm and Dinner at 7:00pm.

In view of the fact that our regular and occasional Chefs will not be available to offer our usual excellent fare this month, we are all being asked to chip in and provide a "potluck" dinner.

Accordingly, Flight Leaders have been asked to contact their Flights as follows: Flights Alpha thru Foxtrot are being asked to provide salads, hopefully, not all tossed salads.

Flights Golf thru Lima are being asked to provide hot dishes and Flights Mike and November, desserts.

In view of the fact that not everyone will bring food, it is suggested that those who do please bring approximately three times what their own needs will require.

Those who bring food are welcome to partake of the many fine dishes that will, no doubt, be provided at no cost to themselves. Those who do NOT bring food will be asked to pay the regular dinner fee.

We will not have a speaker this month, especially in view of the fact that this will be only three days after our annual Air Show and many of us will be totally thrashed.

This will be a good chance to informally review the Air Show and just kick back

for a change and enjoy each others company and think about all that we have accomplished during the past year.

With this in mind your punchy editor takes his leave and asks that you excuse the shortness of this newsletter while he reviews his list of Air Show chores yet to do!! The week of the Air Show is not exactly the most opportune time to put out a newsletter that usually takes 3 to 4 days.

See you Sunday and see you Wednesday!!!
