PROGRAM

J.R. Williams

J.R. Williams is President and Chairman of the Board of Directors for the League of World War I Aviation Historians (www.overthefront.com). In this capacity he also serves as their Director for Marketing and Advancement. As part of his involvement with the League of WWI Aviation Historians, Mr. Williams has been a guest commentator on the *History Channel* and on *War Birds Radio*. He is a frequent speaker on WWI Aviation history and has made numerous research trips to Northern France, Belgium and Germany.

VOL XXII-08

Members of the League of WWI Aviation Historians receive the League's quarterly journal "*Over the Front*", the premier publication on WWI aviation history. In addition, members become part of the great global community of WWI aviation history enthusiasts. Its' members include researchers, historical tourists, modelers, replica builders and pilots and RC enthusiasts. The League of WWI Aviation Historians is a registered 501-c3 non-profit organization.

Mr. Williams is a 1993 graduate of the Monterey Institute of International Studies with a Masters Degree in Business Administration, concentrating on Finance. He also holds a Bachelor of Arts degree from the University of Texas at Austin, graduating in 1982. In 2000, J.R. earned the Certified Investment Management AnalystSM (CIMA[®]) certification by completing an approved educational program, passing a rigorous examination and meeting stringent experience requirements.

Mr. Williams is married with one child and lives in Monterey, California. He will speak to our museum on August 3rd about the League of WWI Aviation Historians, how to join league and its present and future activities.

Thanks to our Program Chairman George Marrett, we have had some great speakers. In July, Retired Vice Admiral William Bowes gave us excellent insight into the Navy's flight test program. He included pictures of the very first takeoff and landing of an aircraft on a US Navy ship, and then had a short film of one of the aircraft test flight he performed. He also told us about some of the 350 flights he participated in during the Vietnam War.

On the Museum Construction Projects, the water main rerouting is completed in preparation for our next building, the *Hind Pavilion*. We have one final review with the city to get the permits for extending the Brooks Building 25 feet to the east and the new Hind Pavilion which will become our new entry hall connecting the Brooks Building and Freedom Hall

The F-16B aircraft from the California State Agency for Property Reuse is undergoing De-Militarization in Texas. We now expect to see it arrive in August or the beginning of September when it will be trucked in. A new M-113 APC just arrived at the Museum from the Fallon NAS target range. The two 105 howitzer canons we will be getting are also being De-Mil'd at Fallon and we should see them soon.

Our Museum tour to the Ronald Reagan Presidential Library on July 12th went well with 48 people going on the trip. Thank you George Taylor, Margi Bauer and Rosemary Netto!

With all that we have going on, we can always use some extra help. Come out and have some fun with us.

MOVIE NIGHT

Wednesday, August 10
6:00 pm Pizza & Popcorn
6:30 pm Movie Time

"THE RIGHT STUFF"

Starring: Sam Shepard, Scott Glenn, Ed Harris

Adapted from Tom Wolfe's best-selling book and tied to the story of test pilot Chuck Yeager, this is a look at the birth of America's space program and the first Astronauts. Thrilling realistic recreations of space flights. It is 193 minutes, but never boring! The real Chuck Yeager has a cameo role as a bartender! Watch for him.

FOUR Academy Awards

The Movie is FREE, but there is a minimal charge for Popcorn or Pizza

THANK YOU Ron Brooks, Ron Boyte and Bob Kelly for completing the installation of our new Washer/Dryer which was donated by Loren and Donna Smith. Please check it out . We will be using it to improve our Glen A. Thomson Memorial Hall as a place to choose for your special events!
