**Prez Sez EWM President Rob Kinnear**

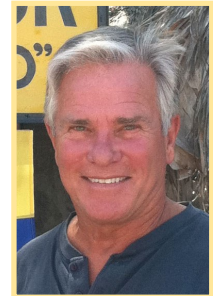

We are half way through the year and things are getting better! It's time for me to say goodbye as president and welcome **John Couch** who is elected to this position effective June 1. John will do a great job. He brings a wealth of experience. **Margi Bauer** is staying on as Vice-

President, as well as **Carol Verstuyft** as Secretary and **Cindy Bergin** as Treasurer. This is a great team who will keep us growing. I will still sit on the Board Of Directors. It's been an honor to serve as your President.

The month of May saw a very successful **Swap Meet** here. This brings in much needed revenue. The number of visitors to the museum remained strong. We are seeing an increase of hall rental requests. Dr. Jill Thayer is still receiving significant donations for our collection. With the return of steady volunteers, plus the new "recruits", our projects are moving along faster. Preparations for the October 2, 2021 **Warbirds Wings and Wheels**, Swap Meet and Barn Dance are moving along and offer boundless opportunities to volunteer. This Museum is a safe and fun place to visit and volunteer. Volunteer when you can. Bring a friend. Be safe, well and have fun!

Photos, Story Dr. Jill Thayer

A great day for a flight. Today, our Estrella Warbirds Museum pilots were on board with three high school seniors who just earned their pilot's licenses! Sherm Smoot and Scott Stelzle on WWII C-47 Betsy's Biscuit Bomber, leading the aircraft with Wayne Rice and Luke Marion on the T-34 Mentor; Randy Wilber and Aiden Bajema on the T-28 Trojan; and Jeff Quaid with Jake Stelzle on the RV-7. Pilot Brad Eaton is the Aviation Club Youth Advisor. Well done gentleman!

What are these 2 people trying to do?

- A) Severe Stress Test on rung #3
- B) Will C-47 to move
- C) Install barrier to local Condors, Sparrows, Jays, Hawks, Avians in order to discourage nesting.

Several projects are alive as of this writing: A-7 final detail, Draken paint and detail, F-5 final detail, making Bomb Truck presentable, now that it runs. This Resto crew is nothing but amazing!

Brad Eaton, director of the EWM/PASO ROBLES/TEMPLETON AVIATION CLUB sandblasts wing strut of Stinson V-77 which the Club is currently restoring. Join the Club by calling Brad at 805-550-8755 See page 8!
