## PREZ SEZ

President John Couch

Summer activity at the museum remains strong, with visitors increasing and hall rentals consistently booked. It's a great time to spend some time at the museum and experience all that is going on. One of the things that's critical for our museum to function effectively, is funding. This is a perfect time to give a shout out to **Cindy Bergin**, whose diligence as Treasurer has scored over \$174,000 in various grants. Thank you Cindy for all your efforts! Please continue to encourage people you know to check us out and maybe put some of their time and talent toward volunteering with us. Have a great summer everyone! —John

## ANOTHER NICE DISPATCH FROM EWM TREASURER

**CINDY BERGIN RE: (\$) NEW FUNDS:**  
***Shuttered Venue Operators Grant (SVOG)* comes through from Small Business Administration for \$77.48k!! Recall the 3-month Shutdown? Thanks to Cindy Bergin and anyone else who helped track these funds down. Google it up and read how and why EWM is eligible for this Grant. MVP stuff indeed!** That Is All

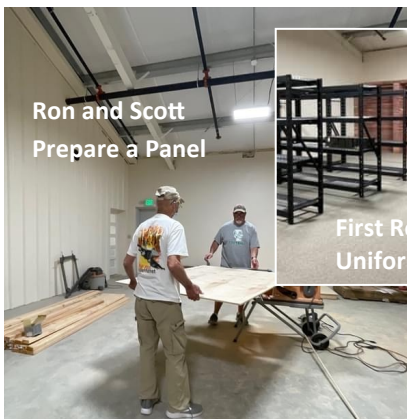

## CURATOR FINDS

Jill Thayer, Ph.D.

The **Curatorial Archival Facility** is almost completed after 1-1/2 years of work! Thanks to **Ron Brooks** for his construction expertise. Thanks to **Scott Stelzle** who is overseeing the project, hauling heavy materials and assembling same. **Margi Bauer** for her assistance in shelving; and to **Rob Kinnear** and **Gary Corippo** for readying the mannequins for the floor. The carpet is in and the space planning is coming together. Volunteer Archivist **Jim Blaes** and I are continuing admin work, curating artifacts as we make this long-awaited transition to keep and preserve this valuable collection.

A donor recently brought in this keen collection of airplane models representing WWII through Gulf War eras. The museum has a vast array of models in various scale, but we just can't resist a well-built replica that accurately depicts military aviation history. Many of these are die cast and truly one of a kind! Dr. Jill Thayer.

Dick Woodland

A "Beaut" like this one is coming to Woodland Auto Display on or about August 1. By the time you read this you will already know that this is a picture of a 1961 \_\_\_\_\_. Don't know? Head on over to WAD and see for yourself. Mr. Woodland plans some new cars and "swaps" that are arriving soon.

Woodland Auto Display/Estrella Warbirds Museum hosted a whole bunch of Audi autos from up yonder in The Land Of Silicon (as in "chip"). **The Audi Gruppe Silicon Valley** pre-planned a trip to Paso Robles and EWM/WAD for about 50 cars. 221 showed up en masse on Saturday, **July 10th** for a day at the Museum campus. No one could forecast a day that approached 115 degrees out on the tarmac. That did not stop the owners and riders from covering the campus completely. Estrella Coordinator **Ken Neuman** handled the crowd headed by Morgan Chapman, the Group's liaison, who worked with Ken to put this event together.

Beautiful presentation gift to Estrella from AGSV and Group Leader **Morgan Chapman**, presented to EWM's **Ken Neuman** on July 10, 2021.
