## ESTRELLA WARBIRDS MUSEUM RECEIVES GRANT FROM THE COMMUNITY FOUNDATION SLO COUNTY

*Grant will help support curatorial management and archival initiatives at the museum*

PASO ROBLES, CA – ESTRELLA WARBIRDS MUSEUM has received a \$5000 grant from The Community Foundation San Luis Obispo County (CFSLOCO). This grant will be used toward computer system updates, scanning equipment, and peripherals for the Estrella Warbirds Museum Curator's Office. In updating the museum's computer system, stewardship of the collection will more efficiently serve the community in preserving military archives and historical legacy.

ESTRELLA WARBIRDS MUSEUM was chosen to receive this grant and is among 24 recipients, whose grants total \$193,635.

This year's grantmaking program is made possible through the generous support of the Foundation's Community Endowment and many donor funds held at the Foundation. In only 16 years, the CFSLOCO has given out more than \$26 million in grants to assist nonprofit agencies. For more information on the CFSLOCO or any funds, call 543-2323 or log onto [www.cfsloco.org](http://www.cfsloco.org)
